

SUMMER, 2010

Dear Parents,

We have designed our summer program to help meet the needs of our parent body. You can now choose either a ½-day (9-12) or full-day program (9-4) for your child. Before care and aftercare can be available (if requested by May 31st) for \$10 per hour (or \$80 per week).

This summer our program will be run for seven weeks from June 21st – Aug 6th. You may opt for as few as 4 weeks or utilize all 7.

Programs and prices are listed below. Please select the program you want, fill in the attached form and send it in with a **\$500 deposit**. (Your deposit is refundable until March 1, 2010)

Our summer program is based on the same educational philosophy as our winter program, but hopefully we will be able to make more use of the outdoors. Arts and craft, planting and age-appropriate nature/science projects also receive a greater emphasis.

THE BALANCE OF SUMMER TUITION IS DUE ON YOUR CHILD'S FIRST DAY.
